

2016 Women's Soccer Prospects Camp at Kenyon College

The 2016 College Prospects Camp at Kenyon is a unique experience for advanced high school soccer players. In addition to working on technical and tactical topics related to the game, this camp provides an inside look at the Kenyon Women's Soccer program and also the College.

The opportunity to spend one or two days on campus, compete in advanced training sessions, and learn a little about soccer at the collegiate level will make a huge difference in your development.

Camp Staff: In addition to the coaching staff at Kenyon, current and former players at Kenyon College will be instructing as well.

Head Coach Kelly Bryan

Kelly Bryan completed her 13th season as the Head Coach for the Ladies in 2015. Bryan led the Ladies to an overall record of 11-7-1 and a conference record of 5-2-1. The Ladies finished 3rd in the conference and advanced to the NCAC semifinal.

In 2014, Bryan led the Ladies to a NCAC regular season title before winning the conference's tournament for the first time in program history. During the remarkable season, Kenyon defeated Allegheny in the conference tournament and then No. 21-ranked Emory University in the first round of the NCAA Division III Tournament. Bryan earned conference, state and region Coach of the Year honors in the process.

The 2015 season takes Bryan's Kenyon record to 105-97-15 and her overall coaching record to 174-128-23.

**Assistant Coach
Becca Romaine**

After completing four seasons as a Lady, Becca Romaine just completed her 1st season as the assistant coach at Kenyon College.

Romaine was a captain for the Ladies both her Junior and Senior year. She finished her career as the program's third all-time leading scorer and has gained conference and regional accomplishments. Most notably, Romaine was named NCAC Offensive player of the year in 2014 and 2015.

Kenyon College LADIES

Success DOESN'T REST

2016 Camp Highlights

- Skill development for all positions
- Compete with other college prospects
- Train in state-of-the-art facilities; including indoor and outdoor surfaces
- Information sessions and the ability to meet current members of the KCWS program
